**AFIFI CONT. EST.** Firm quality plan is always to adhere to & provide the clients with the best quality products, works and services in accordance with the top national & international quality control system standards.

**AFIFI CONT. EST.** Quality control program covers the regular and specific inspection and test plans during all stages of HVAC works, including manufacturing (if specified), fabrication, installation, commissioning and operation with all associated inspections, balancing and tests.

**AFIFI CONT. EST.** Duct workshop is well equipped and prepared to fabricate the ductwork in accordance with SMACNA standards. The QC inspectors at both duct workshop & job site carry out periodic inspections and tests to ensure full conformity with quality control system standards.

مؤسسة عفيفي للمقاولات  
AFIFI CONT. EST.

## SAFETY POLICY

**AFIFI CONT. EST.** While performing its functions related to HVAC or Construction system shall supervise and implement the job safety requirements in order to avoid the risk of body injuries to persons or damage to property or both.

**AFIFI CONT. EST.** Safety representative shall be appointed at site to meet the client's safety requirements and will also participate in periodic safety meetings with other involved parties.  
Our safety representative shall inform and instruct AFIFI personnel on established safety requirements and all or any other special safety programs of Clients.

**AFIFI CONT. EST.** shall organize to conduct periodic inspection of work sites, material storage areas, camp, equipment etc. and will ensure all safety measures so as to bring about maximum of safety conditions on projects.

### **AFIFI CONT. EST. BELIEVES:**

- \* "Learning about safety never ends".
- \* "Practicing and applying safety around us is vital".
- \* "Our families await our safe return from our jobs and hence it is self-imposing & self-organizing in its nature".
- \* "We insist on safety to help remind you of your own responsibility".

## SECURITY POLICY

مؤسسة عفيفي للمقاولات  
AFIFI CONT. EST.

One of our main business policy is to maintain business secrets and hence we ensure security in all its reports & our Managers are experienced personal understanding the gravity of the matter involved. Special instruction are always briefed in person to our Managers when a project of special concern Security, National interest, Governmental or of similar nature or need is involved.

### AFIFI CONT. EST.

Accumulated experience, dealing with different type of commercial, industrial and residential projects made it easy for management & staff to revise a security policy whenever so needed on any project.

### AFIFI CONT. EST.

Has developed and adopted a security policy for offices and job sites to control the following activities :

- \* Access of information, communications and computer system.
- \* Documents storage and reproduction.
- \* Access to office, store & material.

### AFIFI CONT. EST.

Shall conduct full security coordination & comply with the project specific security program.

**The Beginning of the Project**

AFIFI  
PROJECTS

### 6.A.1 SAUD CONSULT TOWER

- \* Saud Consult Building in Khobar is one of AFIFI Projects in 2007.
- \* The HVAC System at Saud Consult was Chilled Water System & all of the HVAC Works were done by AFIFI.

### 6.A.2. BUTAIN TOWER

- \* Butain Tower in Khobar is one of AFIFI Projects in 2008.
- \* All of the HVAC Works were done by AFIFI.
- \* The A/C System at this Project was Dx Type of Central Split Units & Concealed Units.
- \* AFIFI is handling the maintenance of this project since handing over & up to now.

### 6.A.3. SIPHCHEM TOWER

Siphchem Admin Building at Al-Khobar is one of AFIFI Chilled Water Projects in 2009/2008.

The Main Contactor of the Project was Project Build Co.

As per our last visit to the building this year, the HVAC System is working in a very good condition & the client is appreciating our works.

### 6.A4 Sul. Belghonaim 3 Offices & Resedntial Buildings

These three buildings are at the center of Al-Khobar.

One of them is offices building as shown at the perspective & the real photo & the others will be furnished apartments buildings.

AFIFI also did for this client another building in 2012.

AFIFI Maintenance Department is doing the Maintenance for the A/C units of all buildings of this owner.

### 6.A.5. AL-ESSA OFFICES BUILDING

One of AFIFI Projects which is not yet started as it is still under construction is AL Essa Offices Building at the center of Al-Khobar which is seven storey building.

We are doing all of the HVAC Systems & all of the maintenance works for all of the properties of this owner.

### 6.A.6 Ali Reza Offices Building at Al-Khobar

AFIFI done the HVAC System for one commercial offices building at Al-Khobar for "Haji Husein Alireza.

Haji Abdullah Alireza & Co. Ltd.  
Saudi Arabia

### 6.B.1. DIAMOND SUITES HOTEL

Diamond Suites is 4 Stars Hotel in Al-Khobar near to Cornaish Area.

We completed this project in 2014 & its HVAC System consisted of concealed carrier a/c units.

This building was the third building we have done for the same owner.

AFIFI has maintenance contracts for all buildings of this owner.

### 6.B.2 AL-QUBAIS HOTEL IN DAMMAM

One of AFIFI Project in 2016 is Al-Qubais Building which is designed to be a 4 stars hotel.

The HVAC System for the Hotel consists of ducted concealed a/c unit for each room.

### 6.B.3 Al-Huraish Hotel in Olya Area at Al-Khobar

Ali Al-Huraish Building in Al-Olya at Al-Khobar is one of AFIFI projects.

Al-Huraish building is designed to be a four stars hotel.

The HVAC System consists of ducted concealed a/c unit for each room or suite.

### 6.C.1 ARAMCO 228 VILLA (EDHP)

This Project is 228 Villa for Aramco Employees with different selection of A/C Types either Package A/C Units or Mini Split A/C Units.

This Project was awarded to AFIFI twice. One time with “Jenan” the previous contractor & the other time was with “Baytur” the current contractor.

### 6.C.2 AL-SADOON PALACE

Addition to the prestigious Palaces which AFIFI has done its HVAC System this is Al-Sadoon Palace which is still under construction.

We are about to be awarded the HVAC contract for the Mosque for the same Owner & we are quoting for the same owner other projects for him as per his request.

### 6.C.3 KHALED AL-FOZAN PALACE

AFIFI is installing the HVAC System for hundreds of villas per year among them a lot of prestigious Palaces like this Palace for Mr. Khaled Al-Fozan.

The HVAC System of this Palace consists of 28 Package A/C Units from 20 Ton. Ref. down to 5 Ton Ref. and many rooftop exhaust fans.

#### 6.C.4 KARAWAN BUSINESS PARL & RESIDENTIAL BUILDING (MAJD SQUARE)

AFIFI was awarded the residential part of the project which is composed of 59 villas of 3 different architectural layout

The AC system is DX ducted split systems

#### 6.C.5 Al-Hammad Four Palaces.

One of the compounds which AFIFI is doing its HVAC Works is Al-Hammad 4 Palaces at Al-Khobar. The compound consists of 4 Palaces for Al-Hammad Family.

### 6.D.1 LAO at United Petrochemicals in Sabic

One of AFIFI Industrial project which is LAO Satalite Work Shop station inside United Petrochemicals at Sabic Industrial city in Jubail.

سابك  
إندكس  
المتحدة  
united

صدارة  
Sadara 

غاز  
كسو

سابك  
إندكس

### 6.D.2. SABIC : GAS / SADARA

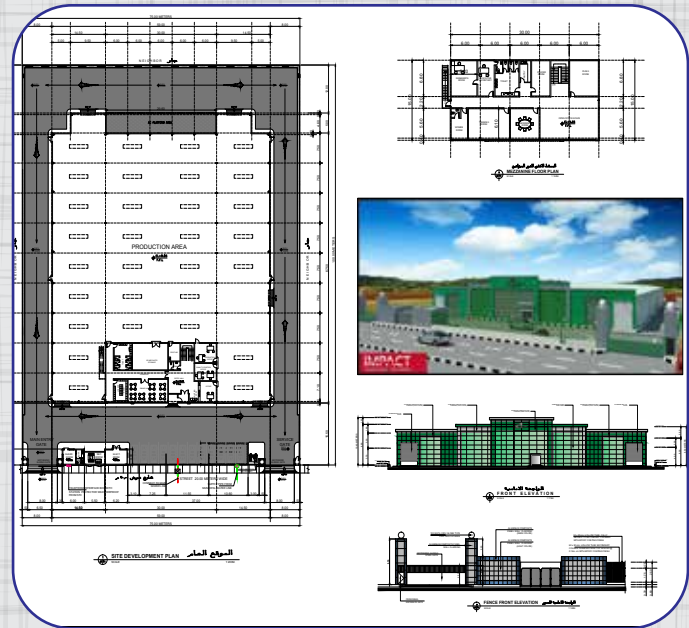

AFIFI in 2014 installed the HVAC Works for 2 industrial projects. One of them was inside Sadara & the other was in Gas & both of them were under Sabic Umbrella.

AFIFI did this project as a sub-contractor for Johnson Controls who signed this project with Korean company (E-TECH) which did all of the activities of the plant.

### 6.D.3. AL IMAN GASKET FACTORY

AFIFI was responsible for creating the shop drawings, installation works and testing and commissioning works of the HVAC system.

The system is VRV type supplied by L.G. with total tonnage of 470.0 TR.

### 6.E.1 MOUWASAT HOSPITAL

AFIFI designed & installed a lot of Hospitals, one of them was Al-Mouwasat Hospital in Dammam.

The main contractor of this project was Project Build Co.

The project was handed over in 2009.

### 6.E.2 LAYLA AL-ONAIZI HOSPITAL

Dr. Layla Al-Onaizy Hospital was one of the Hospitals which AFIFI Installed its HVAC System. This Project was handed over in 2003.

### 6.E.3 AL-KAHAL HOSPITAL

AFIFI designed, supplied & Installed the HVAC System for Al-Kahal Hospital in Dammam.

Since the completion of the this project, AFIFI is handling the maintenance for this hospital & for the owner's house as well.

The client showed his intent to award to us the HVAC Works of his new hospital at Al-Hassa as it is under construction nowadays & AFIFI has already provided the HVAC Primary Design of the new bldg. as well

### 6.F.1 FOUAD CENTER MALL

AFIFI also did the HVAC System for Fouad Center Mall for Mr. Abdullah Fouad which is located at Cornaish Al-Khobar.

### 6.F.2 VENICIA MALL

All over AFIFI History, AFIFI installed the HVAC System for many Commercial Buildings & Malls. One of them was Venicia Mall in 2005.

### 6.F.3 TOY TOWN

AFIFI did a lot of projects for Abdullah Fouad family like houses, offices, showrooms & most of the TOY TOWN all over Saudi Arabia as in Dammam, Khobar, Riyadh, Makkah & Al-Madina.

### 6.F.4 AL-RASHID MALL

Since the opening of Al-Rashid Mall AFIFI did a lot of works for the HVAC System for Al-Rashid Mall in Al-Khobar either to rectify the mistakes of the previous contractor or for additional areas & extensions like Kaysarya Area at the basement, Al-Baha Mega stores, Entrance of Carrefour, third floor new food court,....etc.

### 6.G.1 JUBAIL COMMERCIAL PORT CONTROL TOWER

AFIFI has done a lot of Governmental projects among them was Jubail Commercial Port Control Tower Renovation in 2015.

AFIFI removed the old Chilled Water System & installed new DX System as per the client request.

### 6.G.2 AIR PORT NEW CUSTOMS BUILDING

Among AFIFI Governmental projects in 2013 was new Customs Building inside King Fahd International Airport in Dammam.

AFIFI Scope was: Design, Supply & install all of the HVAC System Including the American Green Heck Exhaust Fans.

### 6.G.3. HAWK MISSILE

The Military Projects has a part of AFIFI History as an example a Store for Missiles under the ground in 2014.

In this Project the air was Passing from outside the building to inside through Anti-Blast valves connected with two Plenum Boxes from both Sides.

The main contractor of this Project appreciated our works

### 6.G.4 Naval Base Building at Mine warfare Area

AFIFI was awarded the contract for one building in King Abdul Aziz Naval Base after the Naval base consultant appreciated our works in Missiles store at "Ras Al-Ghar".

مؤسسة عفيفي للمقاولات  
AFIFI CONT. EST.

#### 4. AFTER SALES SERVICES & MAINTENANCE DEPARTMENT

AFIFI has its maintenance department.

AFIFI maintenance department has contracts for buildings done by AFIFI & other buildings which AFIFI didn't install its HVAC System.

AFIFI is Daikin Authorized Service Provider in the Eastern Region.

AFIFI maintenance department has its Annual Maintenance contract for several kinds of buildings of different fields as the following examples:

SPSP (Saudi Petroleum Services & Polytechnic).

Al-Kahal Hospital.

Al-Kahal owner 3 villas.

Al-Kheshi Printing Press.
