# BRIEF INTRODUCTION

For realising one's true potential legacy has proven to be the corner stone of noble triumphs, there came together the top notch of construction industry, with authentic intentions and fierce determination, incorporating their expertise with their preeminent strategic planning to alternate the scene of construction industry into a philosophy, in which art is combined with discipline and integrity, proving that every block cemented paves the road for a country that is set for leadership and greatness. Rawabi Specialized Group has been founded 2004 in Jeddah to soon expand to all around the kingdom, for their consistency and commitment have soon become the synonyms of the company name, more leading business influencers were keen on collaborating with the company to ensure they are at visionary hands infusing passion with effort, and always meeting their deadlines.

The core philosophy of the company consists of unfolding a complete vision to every project handled. Rawabi Specialized Group has, therefore, follows a thorough and full process of projects, by offering Pre-designing services to completion of project with interior designs and furniture. Today the company work force has grown to be more than 150 workers, and have different bureaus all over the kingdom. For more than a decade now Rawabi Specialized Group name has been a successful business partner with a wide range. of clients such as : ( Abdulsamad Alqurashi , Kinan, Rubaiyat Group, brands for less , Bupa, Al Sulaiman Group, Infinity Company, Lamborghini Company, Bentley Motors Limited, Pepsico BF, Al Tayyar Group, Al mosafer, LUSH Company ) And others more customers, which we were happy to work with them.

OVER 10 YEARS IN CONSTRUCTION WORLD

# GENERAL CONTRACTING SERVICES:

At Rawabi Specialized Group we know exactly what our clients want: peace of mind. Therefore, we always begin with personal consultation with the property owner and architect to discuss the desired concepts and results. We carefully analyze every element before a project begins and we work with you through every step.

Rawabi offers one-on-one attention with experienced managers, field supervisors, and administrative staff with over 14 years of experience. At Rawabi Group, we perform quality services for each client we service, no matter the size of the project, Using the principles of "value engineering", Rawabi Group maximizes cost effective strategies, making sure our commercial and residential projects are completed in a timely fashion, within budget.

# CONSTRUCTION MANAGEMENT SERVICES:

Rawabi Specialized Group is focused on providing cost effective solutions for all our commercial and residential projects and in a timely fashion.

We begin our projects with a personal consultation and cover phases from planning to occupancy. Offering affordable strategies to ensure your project is completed in a timely fashion and within budget, our highly dedicated service team has the combined knowledge, experience, and capability to guide our clients' projects from design to completion. No matter the size or nature of your construction project, our highly qualified team of construction specialists applies principles of "value engineering" to successfully complete your project within budget and on time.

**Building Renovation :** The market and society needs have an ongoing growth pace, it is only logical to alternate your building to serve different purposes, adapting to the market's development. Rawabi Specailized Group offers flexible and practical solutions, which fits the interest of the real estate and commercial market, with the help of our skilful team in renovation of old and new buildings.

**Maintenance :** Rawabi Group offers its clients a complete range of comprehensive and periodic maintenance services and various service packages for buildings, malls, trade shows, residential, entertainment, health and industrial cleaning services. We have vast resources, expertise and decades of experience to accomplish difficult tasks correctly.

# INTERIOR FINISHING SERVICES:

## Interior Finishing :

Commercial property reveals the image of your company and its success. From the office to the conference room, from the lobby to the hallways, each area is an opportunity to reflect your company's voice, mission, vision and values.

Rawabi Group creates a look that represents your business. We will seamlessly weave the perfect design elements throughout your building, office, showroom, store, warehouse, and etc.. to develop a space that matches your brand.

Your home's design reflects who you are, where you have been and where you are headed. Rawabi Group will work with you every step of the way to create a more beautiful home in a timely fashion and at the best prices ever.

## Interior Design :

We custom design and supply ( furniture, lighting system, walls, partitions, flooring, colour, fabrics, paints etc...).

from world wide.

# RENOVATION WORKS SERVICES:

If you need quality renovations in a fast, cost saving manner, Rawabi Group is your preferred choice.

**Rawabi Group** works with a highly dedicated service team to deliver reliable, consistent, and fast service to all our clients. Our goal is to always deliver the best outcome for your commercial and residential needs.

**Our offer** begins with a personal consultation so you can share your needs and ideas with us. In compliance with codes and standards, we turn those ideas into a beautifully completed renovation project in no time!
