About Us

Since 1983, Momaizah Metal Fabrication Factory (MFF Group) has been a leading manufacturer in Saudi Arabia and the Gulf, with a variety of Metal Products, Playground equipment, and Laboratory Furniture systems. Safety and Quality are Mff's first and foremost consideration; all our products are made in accordance with International Safety and Quality standards. Organizations such as Saudi Aramco, SASREF, Saudi Chevron, SABIC and its affiliates such as Saudi Iron and Steel Co. , Arabian Petrochemical Co. and others have included MFF as an approved vendor. MFF is an official member of IPEMA and certified by TÜV Cert for ISO 9001:2000.

Our Services

MFF Lab Systems™

Lab Systems is our lab furniture and equipment range. Technology, resources and expertise are employed to manufacture standard as well as custom-built labs for a wide range of projects. We manufacture laboratory furniture systems for industrial, educational, scientific and medical and governmental sectors. Superior quality and adherence to internationally accepted safety standards, has helped us in maintaining a strong and longstanding client base, among them Saudi Aramco, SABIC.

MFF Playgrounds

Since 1984, MFF Playgrounds has been a leading manufacturer of recreational equipment in Saudi Arabia as well as other Gulf countries. We take on design, manufacture, installation, and maintenance of high quality playground equipment, play structures, park furniture and gym equipment. We also provide safety inspection services for recreation centers, schools, sport facilities and residential compounds

MFF Metal Fabrication

With over 30 years of experience, Metal Fabrication Factory (MFF) utilizes the latest technology in water jet and CNC laser cutting machines, bending and turret presses and a fully equipped machine shop to custom manufacture large as well as small projects. Our precision built products are finished to the highest standard using our fully automated powder and PVC coating lines and electroplating facility including electro galvanizing, chrome, zinc and cadmium. Experienced engineers and staff are available to provide advice at the design as well as manufacturing stages.

Mission and Vision

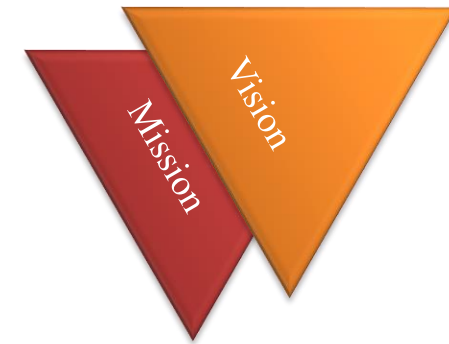

Vision

We aspire to become a leading manufacturer, providing affordable solutions with innovative design, outstanding service and superior quality.

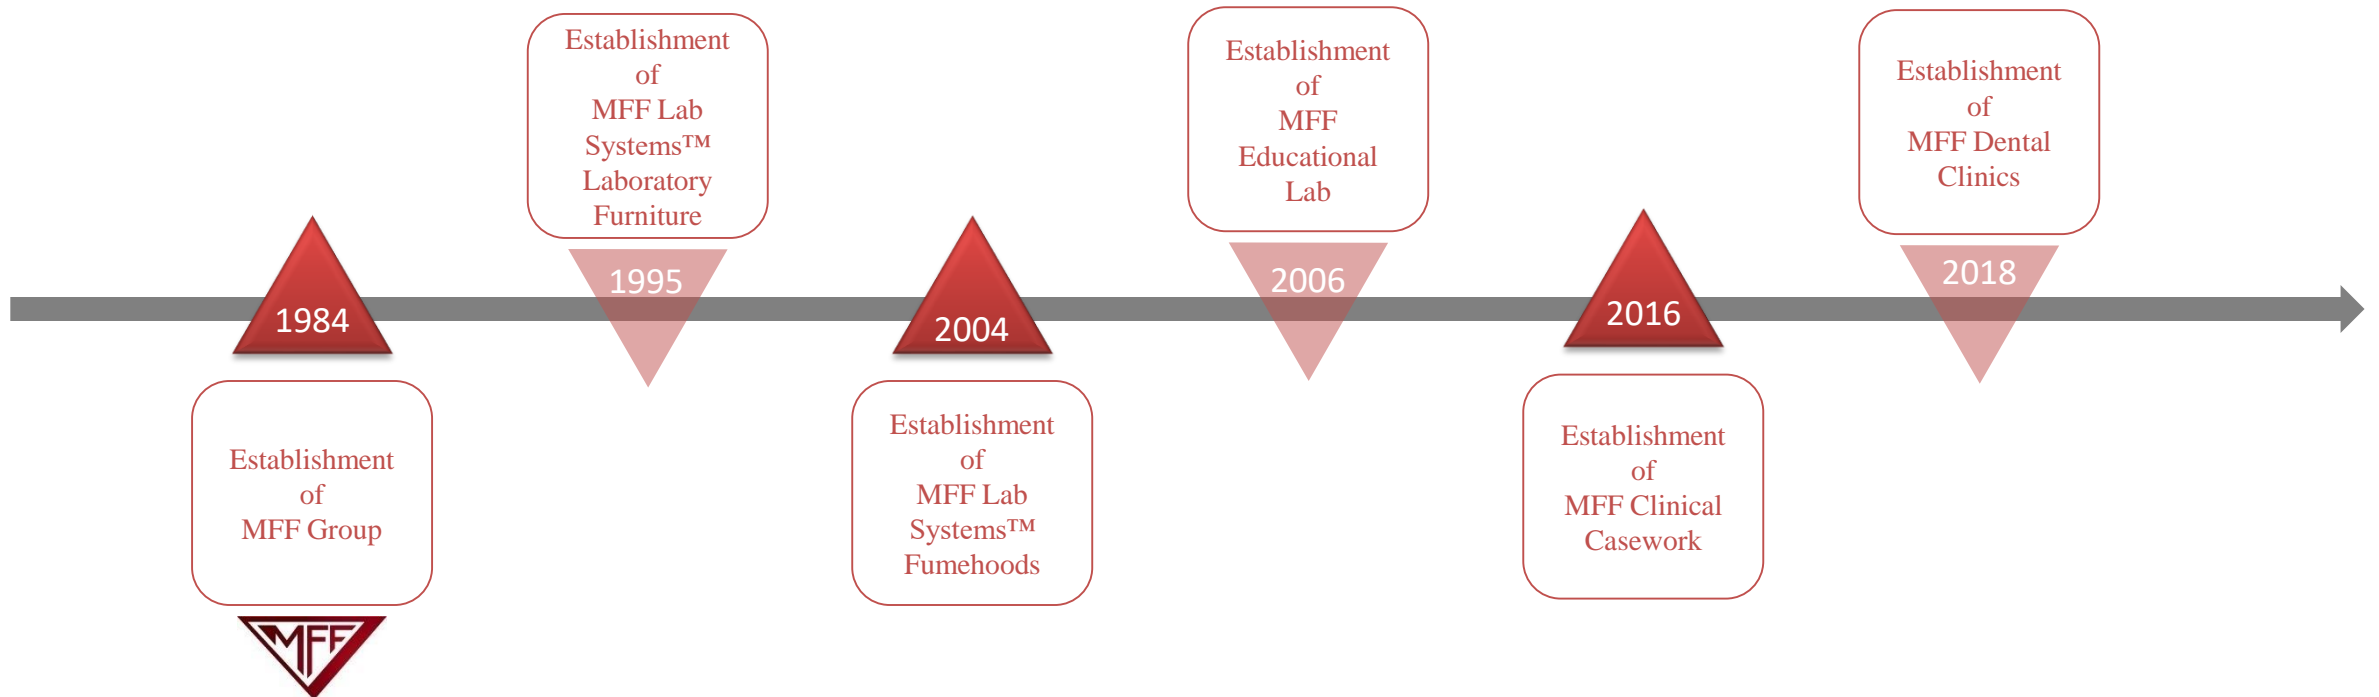

Mission

To manufacture a wide range of laboratory and hospital furniture, playground equipment, steel structures and shades to the highest standards of quality and safety; serving the industrial, public and private sectors in Saudi Arabia and the Middle east.
